Application for Assistive Technology Funding

Assistive Technology often plays a vital role in the lives of people with disabilities. We are pleased to offer funding assistance through the Elsie S. Bellows Fund, which helps provide assistive technology equipment to individuals with disabilities. This program is available only through affiliates of United Cerebral Palsy Association and is reviewed on an individual basis by a review board.

Assistive Technology is any item, piece of equipment or product that is used to increase, maintain or improve the functional capabilities of individuals with disabilities.

To Apply for Funds:

1. Complete the attached Application Form
2. Obtain a Letter of Support from a physician, therapist, psychologist, rehabilitation engineer, assistive technology professional or teacher that indicates the equipment requested in consistent with the goals and abilities of the consumer. A Letter of Support Form is attached.
3. Send the completed Application and Letter of Support to:
